From the Chief Engineer (Projects), Mahabubnagar, Lr.No.CE(P)/Mbnr/ DCEI
/OT8/SO3/RDS/2011, dated.19.02.2010.

ORDER:

In the reference read above, the Chief Engineer (Projects), Mahabubnagar has stated that Rajoli Banda Diversion Scheme is an Inter – State Project of Karnataka and Andhra Pradesh constructed during the year 1946-1956 and water was let out during 1956. There are 5 vents (head sluices) and 3 vents (scouring sluices) erected during the construction period. The Chief Engineer (Projects) has reported that due to damaged link chain, counter weights and hoist arrangements out of Five vents in the Head sluices one vent is not working. Similarly in scouring sluices 2 vents are not working. Due to this when flood comes in Tungabhadra River it is very difficult to maintain the gates. Chief Engineer, Irrigation Central Zone, Munirabad, Karnataka State has furnished an estimate for fixing counter weights, hoist arrangement, replacement of rubber seals, Chequerred plate over heads sluices of RDS anicut and providing grill arrangement over hoist bridge for Rs.50.00 Lakhs and requested to accord necessary administrative approval and to deposit the required funds.

2. The Karnataka officials have also reported that, due to frequent flood existing system such as counter weights, rubber seals and screw gauge rods are further damaged which was not noticed during the time of preparing the estimate for package No.I of Modernization. The provision for repairs is very meager. In the present condition, the repairs and modernization to be attended are very essential for which an amount of Rs.50.00 Lakhs is required.

3. The Chief Engineer (Projects), Mahabubnagar has requested the Government for according Administrative approval to the above work for Rs.50.00 Lakhs, which are quite essential for smooth function of RDS system.

4. Government after careful examination of the matter, hereby accord administrative sanction for Rs.50.00 Lakhs (Rupees Fifty lakhs only) as proposed by Chief Engineer (Projects) and the expenditure may be met from the funds already released to Karnataka and the interest accrued on the deposit should be used for such works which are not covered in the original administrative sanction. Further, the Chief Engineer may get the latest expenditure and also details of interest accrued on the deposit given by Andhra Pradesh State”.

5. The above expenditure is chargeable to the Head of Account: “ 4701-Capital Out Lay on Major & Medium Irrigation-01 – Major Irrigation – Commercial – MH – 108 RDS – GH (11) NSP – SH 26 D&A works – 530 Major Works – 531 Other Expenditure”.
